DETAILED ACTION

Receipt is acknowledged of amendment filed on March 19, 2007. Claims 10-18 are pending. The obviousness rejection made under 35 U.S.C. § 103 (a) as indicated is maintained for the reasons of record and as explained in this Office action.

Claim Rejections - 35 USC § 103

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 10-18 are rejected under 35 U.S.C. 103(a) as being unpatentable over Smith (US 7067547 B1).

Rejection is maintained for the reasons of record.

Response to Arguments

Applicant's arguments filed on February 2, 2007 have been fully considered but they are not persuasive.

Applicants' assert that the Bis Tris Propane of the prior art is 1, 2-bis (tris(hydroxymethyl)methylamino)propane and is distinct from the chelating agent of the present invention. Applicants' arguments are noted, but it is viewed that applicants' bis tris propane is not patentably distinct from the prior art bis tris propane. The prior art bistris propane, 1,2-(tris(hydroxymethyl)methylamino)propane, and the bis tris propane of the present invention, 1,3-bis (tris(hydroxymethyl)methylamino)propane, are position isomers and have same use as buffers. Thus these are in chemical structure and properties, which would have motivated the skilled artisan to make the present invention.

Conclusion

No claims are allowed.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
